

Aquarius Sailing Club: What do YOU think?

Dear Members

We are keen to get as many views as possible about our sailing club, so that we can review this year, and plan for the next one. We would appreciate it if you could take some time to think about and respond to the questions below – either electronically, or by hand. Paper copies of this, along with pens, will be available at the AGM on Saturday 2nd December 2017. Or you can email an electronic version to review@aqsc.org.uk. We are grateful for the time you take to share your views and, whilst we know we cannot grant everyone's wishes, you can be assured your views do matter and will be taken into account.

Appreciatively,
The AQSC Committee (December 2017)

Name:

We would prefer named responses so we can follow these up, but you can answer anonymously if you wish.

Please answer as many questions as you can, as honestly as you can and in as much detail as possible. If you need to leave some questions blank, don't worry, but we would like your thoughtful responses to as many as possible.

What have you enjoyed at AQSC this year?

Is there anything that you have not enjoyed at AQSC this year?

What activities interest you, including those not currently provided by the club?

For example: Has the sailing programme been organised effectively? What improvements would you suggest to the sailing programme? Have you taken part in the Club's social programme this year? If so, which events have you enjoyed? Do you have any suggestions for the social programme in the future?

Different elements of our club premises/site are improved each year. Which parts of our club house and premises should be developed in 2018 – how and why?

How effectively do you feel the Committee has led the club? How do you think the Committee could improve in its work?

Could you contribute to developing AQSC further in 2018? What could you offer?

Going forward, we are keen to increase our membership and market AQSC positively. Please suggest ways in which we can do this.

Further comments

We know the questions above have not covered everything that you may wish to comment on. Please add any further comments here. You might want to consider strengths and weaknesses of the club from your perspective, what has gone well this year, what could be improved, whether there is anything that has put you off coming to any event, suggestions for next year, the usefulness of the AQSC web site and any improvements, and so on. We also made several changes this year, including the introduction of DutyMan to organise the duty rotas and increasing the number of sailing races on a Sunday, amongst other things; if you would like to give feedback on any of these, or anything else, here is your opportunity!

Thank you for taking the time to think about our club. Please return your questionnaire by emailing it to review@aqsc.org.uk, giving it to Cath Bridger, or leaving it behind the bar.
